On the occasion of her retirement from Auburn University in 2014, students, colleagues, friends, and family joined together with the AAA Foundation to honor Judith Blumsack, PhD, with a named scholarship. In addition to her long career as an audiology professor, mentor, and clinician, Dr. Blumsack is a former member of the Foundation Board of Trustees, making her scholarship an especially fitting tribute to an individual that has inspired and touched many over her 30-plus-year career.

The American Academy of Audiology Foundation's *Judith Blumsack Scholarship* of \$500 will be awarded to one student who demonstrates outstanding clinical skills and who shows promise in terms of clinical research and service to the professional community and/or the community at large. The Scholarship will be awarded only to a fulltime graduate student in audiology (AuD, PhD, AuD/PhD) in good standing at a U.S. university during the 2021–2022 academic year. Students must be in at least the second year of their program when the scholarship is awarded and cannot graduate in Spring/Summer 2021. Each department may nominate one student for this scholarship.

A committee of audiologists will review application materials, and award notification will be made by **August 15, 2021**.

Terms and Requirements

Applicants are required to submit the following:

- 1. Completed application (attached)**
- 2. Resume/CV:** Include research and clinical accomplishments as well as academic and service experience. Please include your grade point average, as well as the university's grading scale (*i.e.*, 3.5 with maximum possible of 4 or 3.9 with maximum possible of 5).
- 3. Personal statement:** Address your personal career goals in audiology and how they are being accomplished through your current clinical training, research training, and service-related activities. (*750 words maximum*)
- 4. Letter of recommendation from departmental faculty. Must address:**
 - a. how long the writer has known the applicant/the nature of the relationship with the applicant
 - b. the qualities, particularly with respect to clinical skills, research accomplishments and service activities, that provided the basis for this candidate being nominated by the department
 - c. how the applicant's clinical ability compares to other students whom the writer has known at the same stage of the clinical program

NOTE: Please read the submission criteria carefully. ONLY send the information requested above; applicants who send unrequested documentation may be disqualified from consideration.

Scholarship recipients who attend the AAA Annual Conference are strongly encouraged to attend Foundation functions during the meeting to meet supporters of the Foundation's scholarship programs.

Jerry Northern Scholarship in Pediatric Audiology	A student who shows exceptional promise as a clinical audiologist with a focus on the specialty of pediatric audiology.	\$10,000	3	May 31

Policies and Considerations:

1. Unless otherwise noted, individual student scholarships are open to any AuD, PhD, or AuD/PhD student in audiology who will be enrolled at a U.S. university when the grant is awarded except those graduating in December of the current application year for Fall semester scholarships.
2. University audiology programs may nominate/recommend only one student for each scholarship opportunity annually.
3. Students are encouraged to discuss these opportunities with department chairs and/or SAA chapter advisors, and may self-nominate; however, if more than one student from the same university program self-nominates for the same scholarship opportunity, the university may only recommend one student.
4. Students are only eligible to receive one scholarship award per academic year (i.e., August through July annually), although they may apply/be nominated for more than one scholarship.
5. Students are only eligible to receive a specific scholarship one time, although they are eligible to receive a different scholarship in subsequent years.
6. Effective September 2013, no past or current member of the National SAA Board is eligible to apply for the SAA Student Leader Scholarship.

These policies are subject to change; as such, students and university programs are encouraged to visit the Foundation Web site for the most up-to-date information on scholarships.
